

## Instructional Picture

Follow the instructions to create a picture:

1. Draw a medium circle in the middle of the page.
2. Draw a wiggly line going from the top of the circle to the top of the page.
3. Draw 4 lines coming out from the left side of the circle.
4. Draw 4 lines coming out from the right side of the circle.
5. Draw a smaller circle under the first circle.
6. Draw 2 triangles under the smaller circle, pointing at the bottom of the page
7. Draw 2 circles inside the small circle, side by side.

Key:

Circle:

Wiggly line:

Triangle:

← left

right →

Follow the instructions to create a picture:

1. Draw a medium circle in the middle of the page.
2. Draw a vertical line going from the bottom of the circle to the bottom of the page.
3. Draw two small circles inside the medium sized circle, side by side.
4. Put a dot in each of the circles.
5. Draw lots of thin, medium sized ovals going from all around the outer edge of the medium circle towards the edge of the paper.
6. Draw a medium sized horizontal oval touching the middle of the vertical line, pointing to the left
7. Do the same pointing to the right.
8. Add a mouth

Key: 

Circle: 

Vertical line: 

Oval: 

Instructional Picture

Follow the instructions to create a picture:

1. Draw 12 little circles touching each other in a vertical line leaving room at the top of the page.
2. Draw a slightly bigger circle on top of these.
3. Draw two small circles inside the top circle side by side.
4. Draw a dot in each of the small circles.
5. Draw two small vertical lines on top of the top circle.
6. Draw a tiny circle on top of each of these lines.
7. Count down the circles. Draw a large horizontal oval coming out from the left side of the 3rd, 4th and 5th circle.
8. Draw a slightly smaller oval underneath the first oval
9. Do the same on the other side.

Key:

Circle:  Oval: 

Vertical line: |

## Instructional Picture

L

R

Follow the instructions to create a picture:

1. Draw a medium sized triangle at the bottom of the page, pointing upwards.
2. Draw a medium sized circle on top of the triangle.
3. Draw 2 little circles inside the medium circle next to each other near its top.
4. Draw a dot in each of the little circles.
5. Draw 3 horizontal lines inside the medium circle on its left.
6. Draw 3 horizontal lines inside the medium circle on its right.
7. Draw a small circle in the middle of the medium sized circle.
8. Draw 2 medium sized circles next to each other on top of the other medium circle.
9. Draw a wiggly line going from the right side of the triangle towards the edge of the paper.

Key:

R →

Follow the instructions to create a picture:

1. Draw a medium sized circle in the middle of the page.
2. Draw lots of horizontal lines inside the medium circle going from one side to the other.
3. Draw a slightly smaller circle on top of the medium sized circle.
4. Draw 2 little circles inside the smaller circle next to each other.
5. Draw a dot in each of the small circles.
6. Draw a thin triangle coming from the bottom of the medium sized circle pointing towards the bottom of the page.
7. Draw a medium sized circle stuck to the left side of the striped medium sized circle.
8. Do the same on the other side.
9. Draw two, small vertical lines on top of the smaller circle.
10. Draw a little circle on the top of each of these lines.

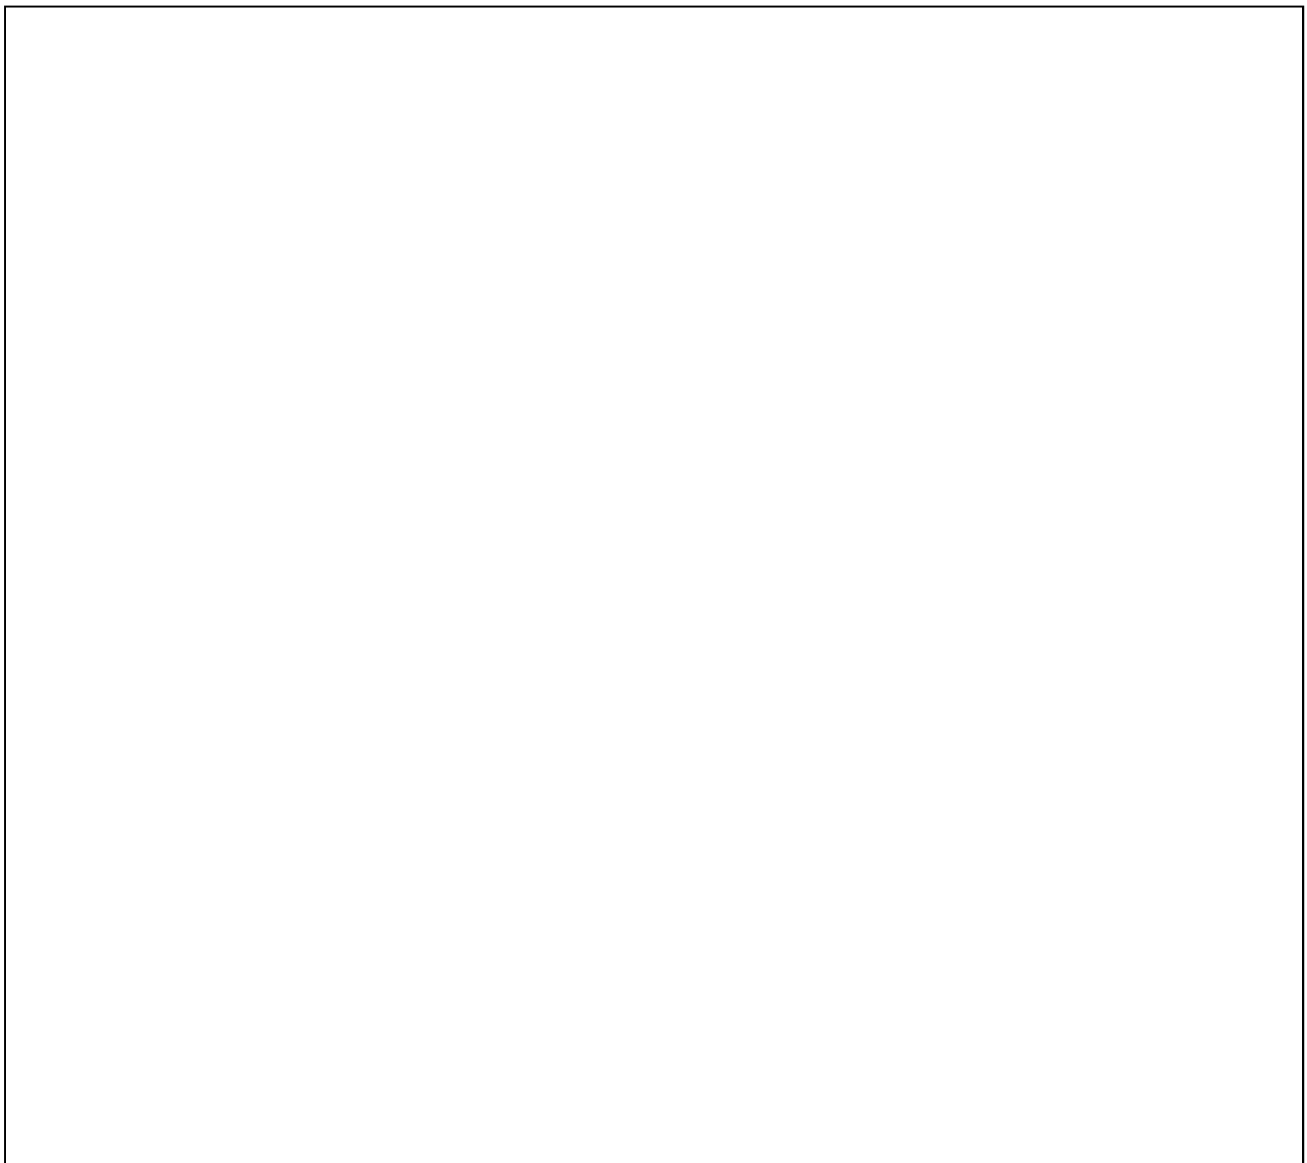

Key:

Instructional Picture

L ←

→ R

Follow the instructions to create a picture:

1. Draw a medium sized square at the bottom of the page.
2. Draw a medium sized triangle on top of the square.
3. Draw a vertical rectangle in the middle of the square touching its bottom.
4. Draw a square inside the medium sized square in the top left corner.
5. Draw a square inside the medium sized square in the top right corner.
6. Draw a cross in each of the two smaller squares, touching all four sides of the squares.
7. Draw a small circle in the middle of the rectangle.

Key:

Triangle:

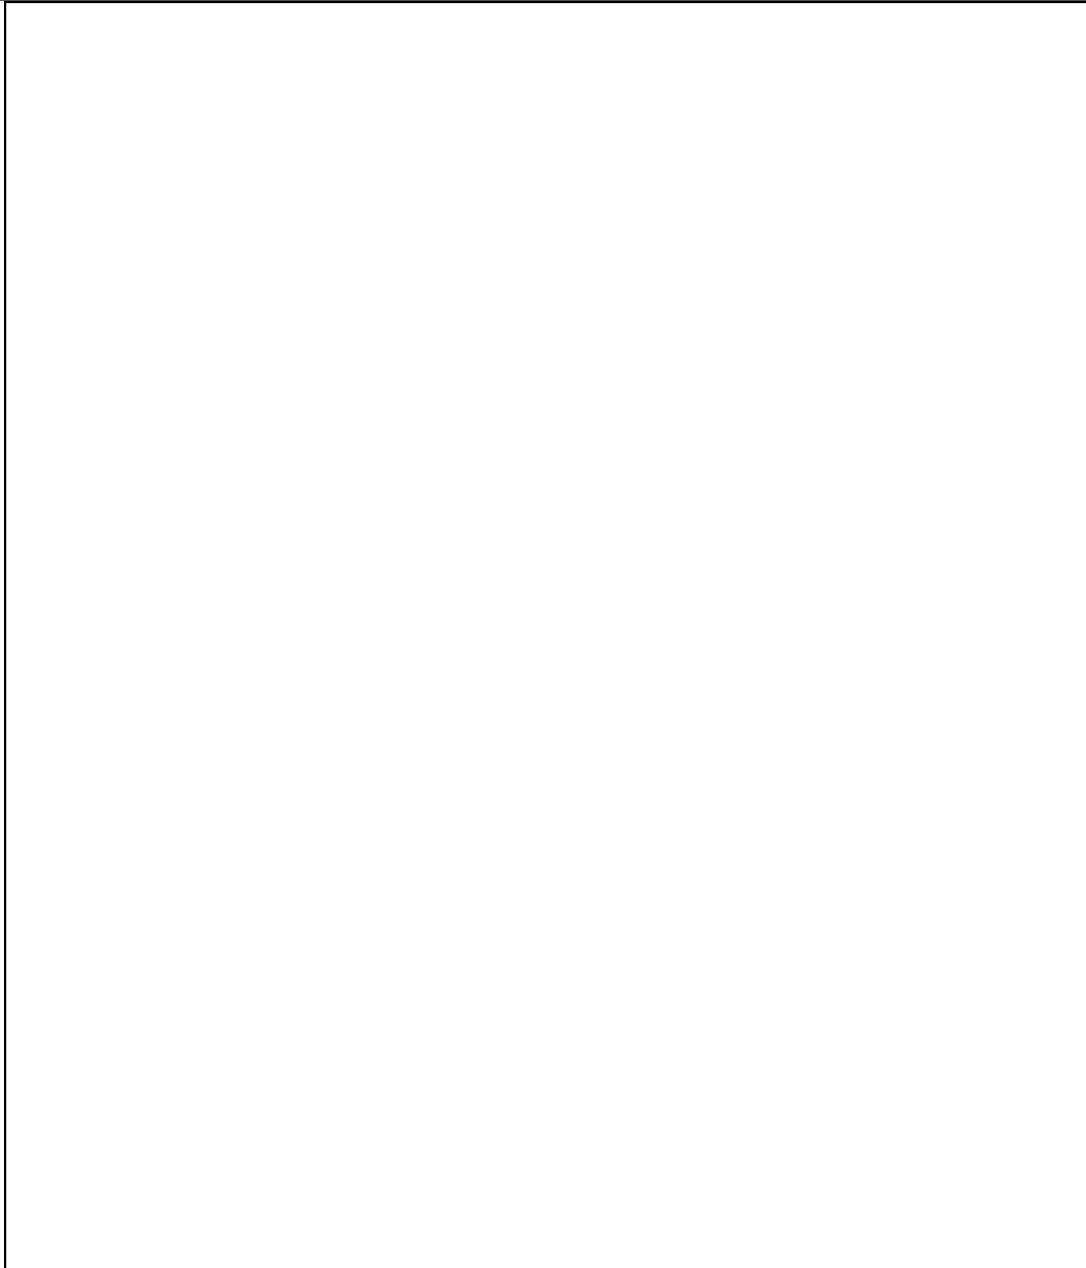

Circle:

Square:

Rectangle:

Instructional Picture

L

R

Follow the instructions to create a picture:

1. Draw a tall, vertical rectangle in the middle of the page, leaving space at the top and the bottom.
2. Draw a circle inside the rectangle, near the top.
3. Draw a triangle pointing up on top of the rectangle.
4. Draw two horizontal lines under the circle, going from one side of the rectangle to the other.
5. Draw a diagonal line going from the left bottom of the rectangle toward the left bottom of the page.
6. Do the same on the right side.
7. Join the bottom of each diagonal line with a horizontal line.
8. Draw lots of little vertical lines coming from the bottom of the horizontal line towards the bottom of the page.

Key:

- Triangle:  Vertical rectangle: 
- Circle:  Horizontal line: 
- Diagonal line:  Vertical line: 

Instructional Picture

L

R

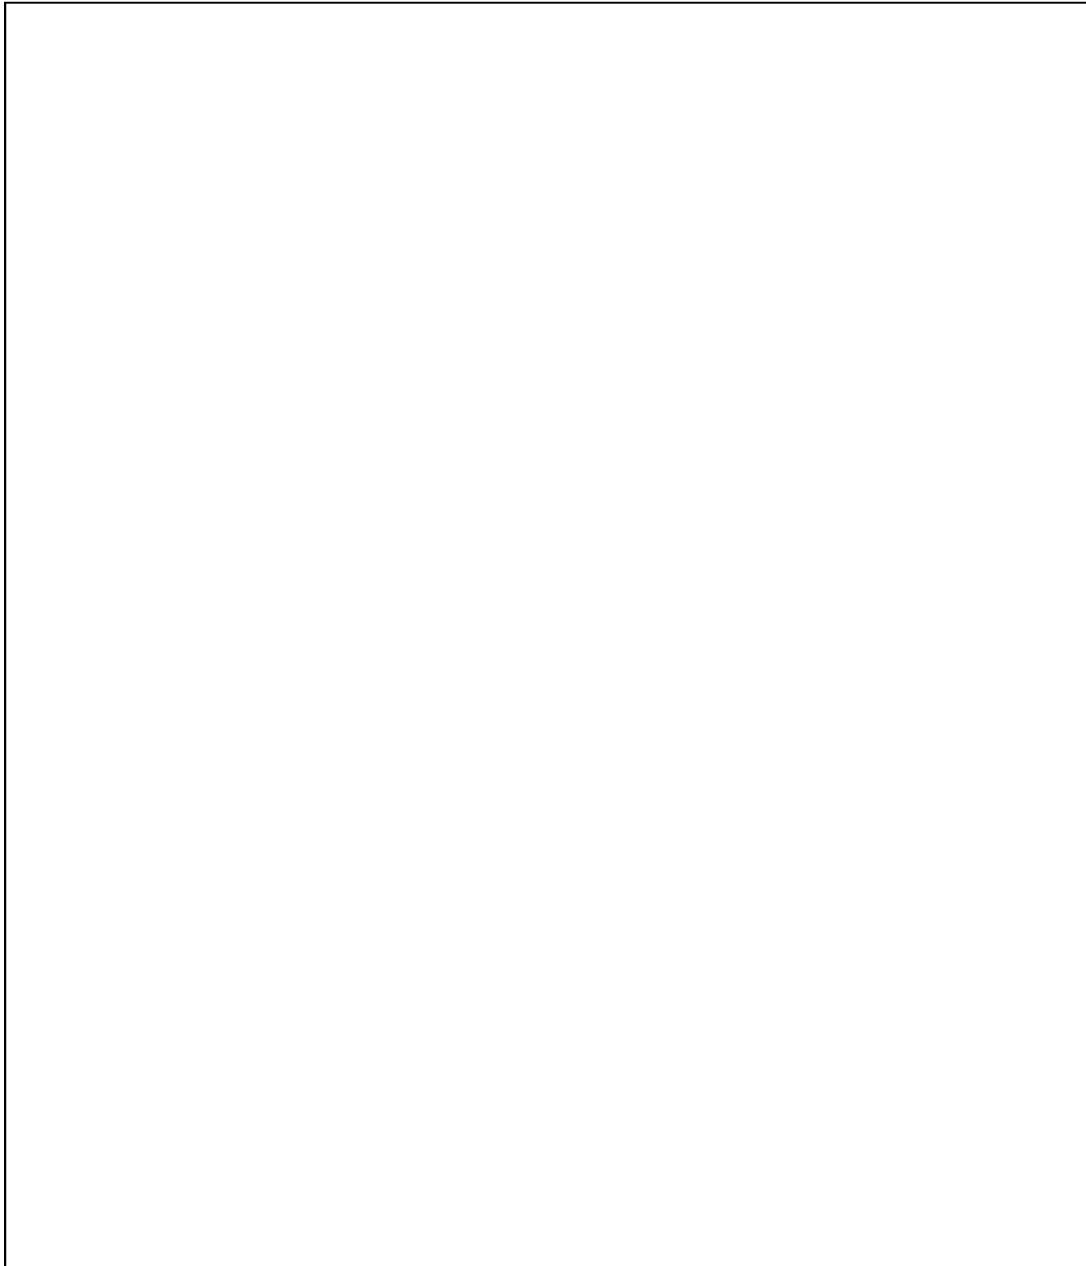

Follow the instructions to create a picture:

1. Draw two medium sized circles, one on top of the other.
2. Draw a zigzag horizontal line across the middle of the bottom circle, going from one side to the other.
3. Draw two little circles side by side in the top circle.
4. Draw a dot in each of the two little circles.
5. Draw a triangle facing down under the two little circles.
6. Draw two dots side by side in the triangle.
7. Draw a small circle stuck to the left side of the bottom circle, above half way.
8. Do the same on the right side.
9. Draw 3 vertical, wiggly lines going from the top of the top circle towards the top of the page.

Key:

Triangle:  Horizontal zigzag line: 

Circle:  Vertical wiggly line: 

## Instructional Picture

Follow the instructions to create a picture:

1. Draw a small circle in the middle of the page.
2. Draw a long vertical line going from the bottom of the circle to the bottom of the page.
3. Draw an oval half way up the vertical line on the left side.
4. Do the same on the right.
5. Draw ovals joined to the circle, all around it, going toward the outside of the page..

Key:

Circle: 

Vertical line: 

Oval: 

## Instructional Picture

Follow the instructions to create a picture:

1. Draw a small to medium circle at the bottom of the page.
2. Draw a tiny horizontal line going from the right side of the circle toward the right side of the page.
3. Draw another circle the same size joined to the end of the horizontal line.
4. Draw another tiny horizontal line going from the right side of the right circle.
5. Do the same going from the left side of the left circle.
6. Draw a tiny vertical line going up from the left end of the left horizontal line.
7. Draw a tiny horizontal line going right from the top of the vertical line.
8. Draw another tiny vertical line going up from the right side of the last horizontal line.
9. Draw a horizontal line going from the top of the last vertical line towards the right until it is over the end of the picture.
10. Join the ends of the two unjoined lines with a vertical line.
11. Draw a smaller circle inside each of the circles.
12. Add a window and a light!

Circle ○ Vertical line | Horizontal line \_\_\_\_

## Instructional Picture

L

R

Follow the instructions to create a picture:

1. Draw a medium circle in the middle of the page.
2. Draw two triangles on top of the circle pointing upwards.
3. Draw a smaller triangle inside each of the triangles.
4. Draw two small circles inside the medium circle near the top.
5. Draw a dot in each of the small circles.
6. Draw a tiny circle between the two small circles.
7. Draw a small vertical line going down from the tiny circle.
8. Draw a small upside down arch at the bottom of the vertical line
9. Draw three horizontal lines inside the medium sized circle on the left.
10. Do the same on the right.
11. Add a body

Key:

Circle: ○ Triangle: △

Vertical line: | horizontal line: —

## Instructional Picture

Follow the instructions to create a picture:

1. Draw a medium sized, long, thin, upside down triangle at the bottom of the page.
2. Draw lots of diagonal lines inside the triangle all going the same way until the triangle is full.
3. Draw lots of diagonal lines inside the triangle going the opposite direction to create a chequered effect.
4. Draw 2 medium circles side by side on top of the upside down triangle.
5. Draw an arch going from the top of one circle to the other.

Key:

Arch: 

Diagonal line: 

Circle: O

Triangle: 

Instructional Picture

L ← ————— → R

Follow the instructions to create a picture:

1. Draw a medium long, thin, vertical oval in the middle of the page.
2. Draw a circle at the top of the oval.
3. Draw a small, long, thin triangle pointing up on top of the circle.
4. Draw two tiny circle with dots in side by side in the circle.
5. Draw a long horizontal line going from the top left hand side of the oval towards the left side of the page.
6. Join the end of the horizontal line to the bottom of the oval with a wiggly line.
7. Do the same on the right side.
8. Draw three very thin triangles coming from the bottom of the oval pointing to the bottom of the page..

Key:

## Instructional Picture

L

R

Follow the instructions to create a picture:

1. Draw a medium sized vertical oval near the top of the page.
2. Draw a circle filling the bottom half of the oval.
3. Draw an upside-down arch inside the circle.
4. Draw two tiny arches side by side on top of the circle.
5. Draw two small circles side by side but not touching in the top half of the oval.
6. Draw a dot in each of these circles
7. Draw another medium sized vertical oval under the first one
8. Draw a circle in the middle of the bottom oval.
9. Put a dot in the middle of this circle
10. Draw 2 parallel, wiggly lines going from the left bottom of the bottom oval towards the bottom of the page.
11. Draw a small circle at the end of the lines.
12. Draw 4 tiny circles touching the outside of the small circle.
13. Do the same on the right side
14. Do the same coming from the left and right sides at the top of the bottom oval
15. Draw a small sideways arch attached to each side of the top oval
16. Draw 5 tiny vertical lines on top of the top oval

Key:

Circle:

Oval:

Wiggly line:

Instructional Picture

Follow the instructions to create a picture:

1. Draw a wavy, horizontal line right across the page near the bottom.
2. Draw a long horizontal straight line about two finger widths above the wavy line.
3. Draw a diagonal line going down from the left end of the straight line inwards until it hits the wavy line.
4. Do the same on the right side.
5. Draw a long vertical line going up from the middle of the horizontal line.
6. Draw a horizontal line going from the vertical line near its bottom to the left. Stop the line just before it is above the end of the first horizontal line.
7. Draw a diagonal line to connect the left end of this line with the top of the vertical line.
8. Draw a short wavy line going from the top of the vertical line towards the right.
9. Draw a short diagonal wavy line from the end of the last wavy line, joining it back to the vertical line.
10. Draw a triangle underneath the wiggly line, similar to the triangle on the right, but a little smaller.
11. Add a person fishing and fish in the water to complete your picture.

Key:

Diagonal line:

Vertical line:

Wavy line:

Horizontal line:

Instructional Picture

L ←

→ R

Follow the instructions to create a picture:

1. Draw two long, vertical lines, side by side on the right side of the page leaving space at the top and side of the page.
2. Draw five medium lines spaying out from the top of the first two lines.
3. Join the top of these lines with a wavy line.
4. Join the two edges of the wavy line with an arch wavy line going over the top.
5. Draw a horizontal line going right across the page, but leaving a gap between the two vertical lines.
6. Draw a medium sized arch sitting on the middle of the horizontal arch.
7. Draw medium sized lines spaying out from the arch.

Key:

Arch: 

Instructional Picturev

L

R

Follow the instructions to create a picture:

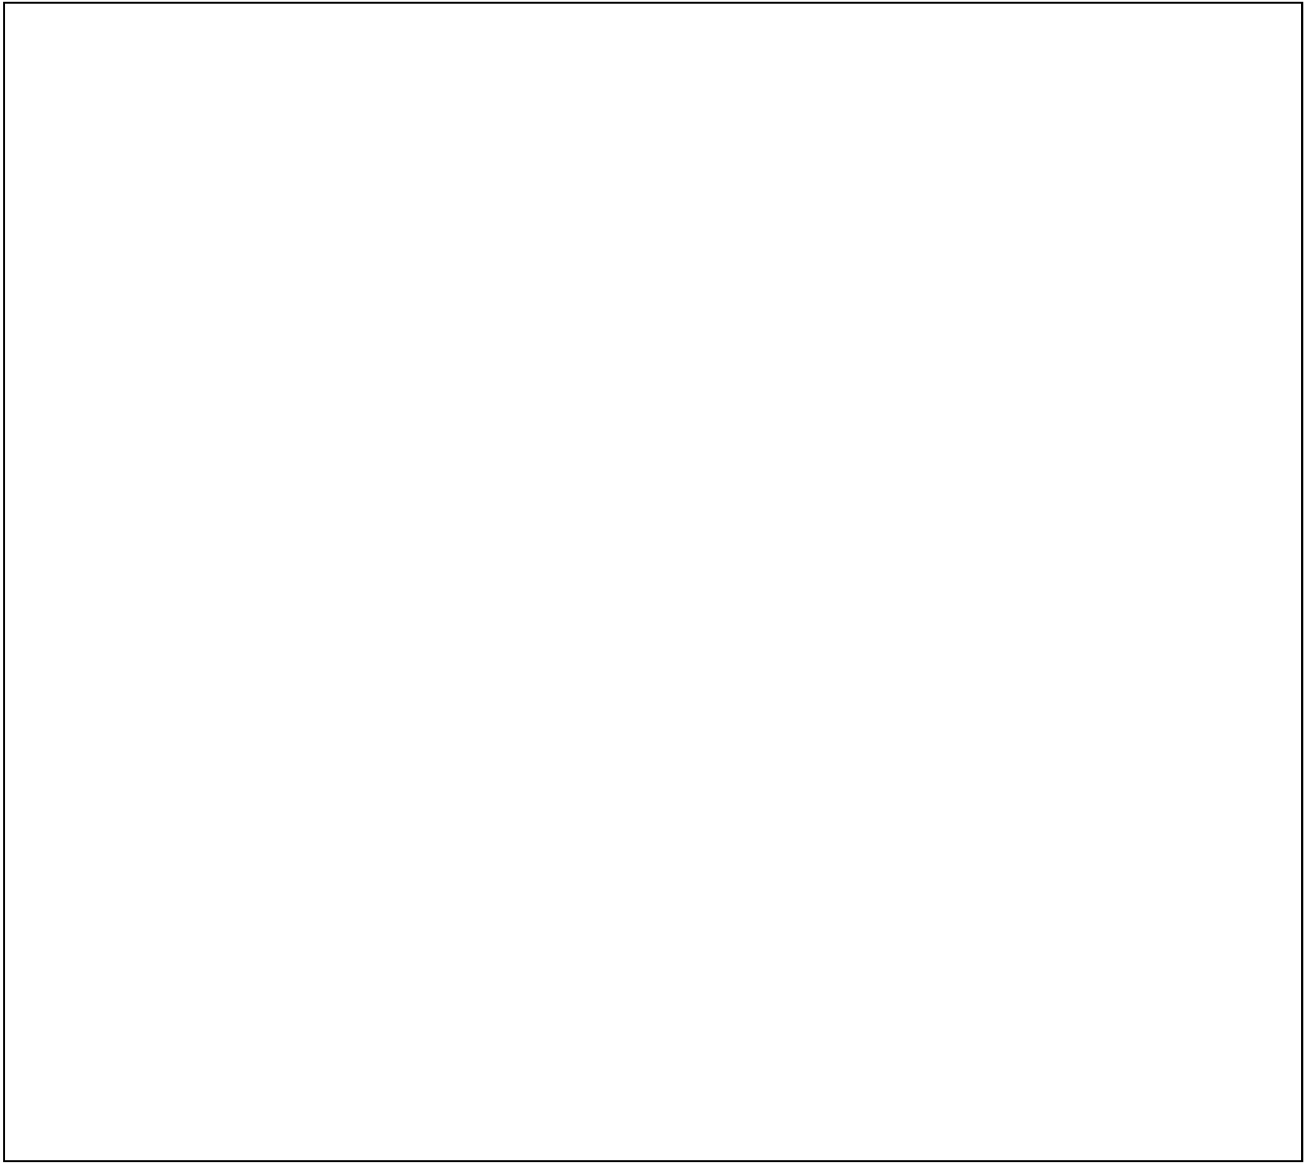

1. Draw a medium sized circle in the middle of the page.
2. Draw two, small vertical lines going up from the top of the circle.
3. Draw two small to medium triangles coming out from the first circle and pointing to the outside of the page, one on the top left and one on the top right.
4. Draw the same at the bottom of the circle.
5. Draw a small triangle coming from the bottom of the circle pointing towards the bottom of the page.
6. Draw a circle above the vertical lines, joining their tops.
7. Draw two small circles inside this circle.
8. Draw a dot inside each of the two small circles.
9. Draw a small horizontal line above the two small circles
10. Draw a pattern of your choice inside the circle.

Key:

Circle:

Triangle:  Horizontal line: 

Instructional Picturev L

R

Follow the instructions to create a picture:

1. Draw a medium sized circle in the middle of the page.
2. Draw a circle inside the first circle.
3. Draw a slightly smaller circle on top of the first circle.
4. Draw two small circles side by side inside the top circle.
5. Draw a dot in each of the small circles.
6. Draw an upside down arch under the two small circles.
7. Draw a sideways arch on each side of the first circle with the curves pointing towards the outside of the page.
8. Draw two circles side by side under and touching the first circle.
9. Draw two circles side by side on top of the top circle
10. Draw two smaller circles inside the two circles you have just drawn.
11. Draw four short horizontal lines coming from the outer edge of the sideways arches.
12. Draw four short vertical lines coming from the bottom of each of the bottom circles.
